

Scholarships Offered

The Students belonging to backward classes & Economically Backward Classes can fill the Scholarship Forms along with required documents there are so many types of scholarships (eg. Bharat Sarkar Shishavrutti/Freeship, Open merit, Ekalavya University's Various Scholarships etc) This section puts all the instructions & Schedules on the Notice Board from time to time. The most important thing is to forward the form in time. We have a separate black board with the names of Scholarships painted on it. On this board there is column for the last dates. We write these dates much in advance so that no student who wants to apply for that Scholarship is left out. In spite of this students are given personal guidance to fill in their forms. We also give them letters to submit to the Bank so that they get concession in the minimum balance to be maintained in the Accounts.
